

Maine Revised Statutes
Title 22: HEALTH AND WELFARE
Chapter 271: HEALTH PROGRAMS

§1696-C. COMMUNITY HEALTH INFORMATION PROJECT

The department shall undertake a community health information project under the auspices of the Environmental Health Program in the Bureau of Health. The project shall respond, subject to this subchapter, to requests made by state agencies, municipalities or individuals for information on potential health hazards posed by the use of hazardous chemicals. To meet these requests, the director shall establish a Community Health Information Clearinghouse which shall contain information on the health implications of chemicals in use in the home and the workplace. [1985, c. 494, §2 (NEW).]

SECTION HISTORY

1985, c. 494, §2 (NEW).

The State of Maine claims a copyright in its codified statutes. If you intend to republish this material, we require that you include the following disclaimer in your publication:

All copyrights and other rights to statutory text are reserved by the State of Maine. The text included in this publication reflects changes made through the Second Regular Session of the 126th Maine Legislature and is current through August 1, 2014. The text is subject to change without notice. It is a version that has not been officially certified by the Secretary of State. Refer to the Maine Revised Statutes Annotated and supplements for certified text.

The Office of the Revisor of Statutes also requests that you send us one copy of any statutory publication you may produce. Our goal is not to restrict publishing activity, but to keep track of who is publishing what, to identify any needless duplication and to preserve the State's copyright rights.

PLEASE NOTE: The Revisor's Office cannot perform research for or provide legal advice or interpretation of Maine law to the public. If you need legal assistance, please contact a qualified attorney.
